Editor's Rambling's

Here's a few "Random Thought's" on some of our "Day's To Remember". I mean - there has to be some kind of reason we have these day's, doesn't there?

- January 20th is Inauguration Day and also Penguin Awareness Day. NOW we know why they all dress up in those Penguin Suits.....
- January 21st is Squirrel Appreciation Day. I'm pretty sure they mean the furry critters and it's just a coincidence that Inauguration Day is followed closely By "Squirrel" Day, although sometimes you may wonder...
- Jan 31 is National Kazoo Day. Now, seeing the people who play Kazoos these days, you can see why it's obvious that it's also Backwards Day.
- February 4th is create a Vacuum Day. Do they mean like a "Hoover" or what some people have between their ears? Inquiring minds want to know!

Now, this is also Super Bowl Sunday this year. Ladies - PLEASE DO NOT VACUUM DURING THE SUPER BOWL!

- February 13th is Get a Different Name Day. Rumor is this was started by the Federal Marshall's Service Witness Protection Program.

Now, we all know February 14th is St. Valentine's Day. My point? Shouldn't "Get a Different Name Day" be after Valentine's Day? Guy's, if you forgot Valentine's Day, wouldn't getting a new name be something you'd be trying to after Valentines Day?
