## Wedding & Anniversary Gift Guide

It's that time of year, when weddings are plentiful and unique gifts are few. Here are a few of our favorite gift ideas for brides, grooms, bridesmaids, groomsmen and special anniversaries.

### ***For Newlyweds & Anniversaries:***

#### Personalized Wine

Everyone knows someone who is getting hitched this summer. You can risk buying them a third toaster, a fondue set they will never use, or you could send them something really special and unique!

Personalize a bottle of wine with the lucky couple's name and wedding date or even a photo creating a one-of-a-kind gift.

#### Custom Gift Baskets

What better way to help a couple celebrate than with one of our luxurious wine gift baskets. Make your gift the one they can't forget. Include a bottle of personalized wine or champagne. When it comes to gifts, your wish is our command. We specialize in custom gift baskets for your theme and budget!

### ***For the Bridesmaids:***

#### Plant or Flower of the Month Club

To thank them for wearing those hideous dresses you picked out, enroll your bridesmaids in our Flower or Plant of the Month Clubs. You can choose anywhere from 2 to 12 month memberships.

Just tell us when you would like the first delivery, it's as easy as that. Don't you wish we were wedding planners?

### **For the Groomsmen:**

#### Personalized Beer

You know those embarrassing blackmail photos you have been saving up of all your best buddies? We have an excuse for you to finally use them. By far our most popular gift for groomsmen is personalized beer. You don't have to use embarrassing photos but it makes the beer so much more fun!

#### Beer of the Month Club

Members of our Beer of the Month Club receive a monthly selection of either six or twelve bottles of premium microbrews from the best small brewers of the west coast.

Every delivery will have three different microbrew styles. Choose from 2 to 12 month clubs or join our continuous membership and keep getting new beers until you decide to quit.
